# Happy New Year

Front cover: Walton on the Wolds, Loughborough  
Black Lane up to the Wolds. Sunday 23 January 2021

Centrefold: Six Hills Road on the Wolds (gently rolling hills) above  
Walton

As you can see, we had snow here for the first time since 2017—this  
Wednesday morning it had all gone—the joys of a maritime climate!

We hope everyone is keeping well. We shall be back in Yorkshire  
soon.

Best wishes for 2021
