Parking – York Gate ask that Group Visitors arriving by car, park in the laybys on Church Lane, to ease congestion in the car park, for those other visitors just visiting the Café. They ask that we park nose to the road (not across a space) & then take the pleasant walk through the historic Church Yard and straight on to the Garden entrance.

Finally, Groups are asked to arrive no more than 20 minutes before we are due in the gardens. In our case, no earlier than 1.10pm.

We do hope you can join us.
